

Mohamad Hateem bin Nazamid

PLACEHOLDER RESUME - REPLACE THIS FILE

This file exists so that hateem.dev's Resume button resolves to a real document instead of a 404. It is not a resume.

To replace it, drop your PDF at public/resume.pdf, keeping the filename. Nothing in the codebase needs to change.

Final-year BSc (Hons) Computer Science, Universiti Teknologi MARA
Available for 14-week industrial training, September - December 2026
